

Wines by the bottle

Wine is a part of who we are here at QUEENSTOWN

We built this list to pair with our cuisine and to transform an experience into a memorable moment. The majority of the wines on this are only available to restaurants in our market. We are offering these wines at retail pricing so you can enjoy them here or at home. Cheers

How it works

We do not take the traditional restaurant mark up on our wines offered by the bottle.
At Queenstown our wines cost half as much as other restaurants in La Jolla.
